

City of Roswell

Pecos Trails Transit System

Driver's Bill of Rights And Responsibilities

As our Driver you have the right to:

- avoid any unsafe destination or route. If, during the course of the route trip, it is determined that a destination is unsafe, the driver has the right to radio dispatch and inform them that he or she is going to deviate or return to the point of origin
- stop at any point and radio for help if a passenger becomes dangerous or threaten the safety of the driver or others
- refuse to transport passengers who are smoking, eating, or drinking, or who appear to be intoxicated to the level that they might pose a danger to the driver, or to themselves, to others or to the cleanliness of the vehicle
- refuse to transport passengers who may have visibly soiled themselves to protect the welfare and safety of other passengers
- ask a passenger to exit the bus and summon police if the passenger is screaming, using offensive language or acting in an offensive manner, or harassing the driver or other passengers
- defend himself from harm including insuring the safety of the passengers, then abandoning the vehicle and call for help as soon as possible

The Driver has a responsibility to:

- comply with all traffic and municipal laws
- the citizen of Roswell to stay on schedule at all times
- assure each passenger pays the correct fare
- adhere to designated route and not deviate unless dispatch is aware of the deviation
